RENEWED PETITION UNDER 37 CFR 1.10(D)

Mail Stop PCT
Commissioner for Patents
Office of PCT Legal Administration
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A Decision on Petition Under 37 CFR 1.10(d) was mailed November 27, 2007, which did not grant the Request to Correct Filing Date. The Decision stated that the applicant has not provided a "showing to the satisfaction of the Director that the requested filing date was the date the correspondence was deposited in the 'Express Mail Post Office to Addressee' service prior to the last scheduled pickup for that day."

According to 37 CFR 1.10(d) the required showing "must be corroborated by evidence from the USPS." Alternatively, the showing can be corroborated by evidence that "came into being after deposit and within one business day of the deposit of the correspondence in the 'Express Mail Post Office to Addressee' service of the USPS."

Attached hereto is a copy of the Express Mail Corporate Account Mailing Statement from the USPS showing that EV 334679378 was deposited on January 7, 2005.

Previously applicant submitted evidence showing that the application was deposited in the "Express Mail Post Office to Addressee" service prior to the last scheduled pickup for January 7, 2005, including:

- A copy of the Express Mail label, EV 334679378, showing a barrel stamp date of "JAN 07 2005."
- A copy of the postcard submitted by applicant's counsel showing a date of January 7, 2005.
- A copy of a letter from applicant's counsel dated January 7, 2005 reporting the filing of the application on January 7, 2005.

It is submitted that when taken as a whole, the above evidence establishes that the filing date of the application is January 7, 2005. It should be noted that the patent office has accorded the application a filing date corresponding to the earliest date shown on the Express Mail label and that applicant is requesting that the date be corrected to the later date. The undersigned attorney respectfully requests that the filing date for the patent application be corrected to "January 7, 2005".

If the Office believes that there are any issues that can be resolved by a telephone conference, please call 404 685 6799.

Respectfully submitted,

/Brenda O. Holmes, 40339/
